GENERAL INFORMATION & RULES

- Child Care is offered for children who are dependents on their parent's memberships. The parent must remain at the club during the time of the reservation.
- Our friendly caregivers will interact and lead age appropriate activities. For the safety of each child, Wheaton Sport Center Supervisors are First Aid, CPR and AED certified and follow the recommended guidelines for safe child ratios set by DCFS for each age group.
- Advance reservations are required to assure adequate staffing. Reservation time slots are available for 30, 60, 90 or 120 minutes. Two reservations permitted per day per child, once in the morning and once in the evening.
- Online booking may be made the day prior and up to 1 week in advance.
- Cancellation of a reservation must be made at least two hours in advance to avoid a "late cancellation" charge. Failure to cancel will result in a "no show" fee.
- For health and sanitation reasons, our team members will not change diapers. Changing tables are located in both bathrooms inside Child Care. You will be paged or we will locate you in the club, if your child needs changing. If their clothes are wet or soiled, a change of clothes must be put on before the child returns to Child Care.
- Bare feet are not allowed (including infants).
- No child permitted in Child Care if any of the following conditions exist: runny nose, deep cough, diarrhea, rash, elevated temperature, red eyes or eye discharge. Your child must be free of the symptoms, unmedicated, for 72 hours before returning.
- A physician's note may be required for any conditions or allergies that are being treated and declared harmless.
- Only parents, legal and authorized guardians through WSC Membership are allowed to drop off or pick up their children.
- Our team members will do our best to work with any child who may have special needs.
- We reserve the right to refuse any child who is unable to adjust to our Child Care services.
